

Points of Thought With Apple Orchard

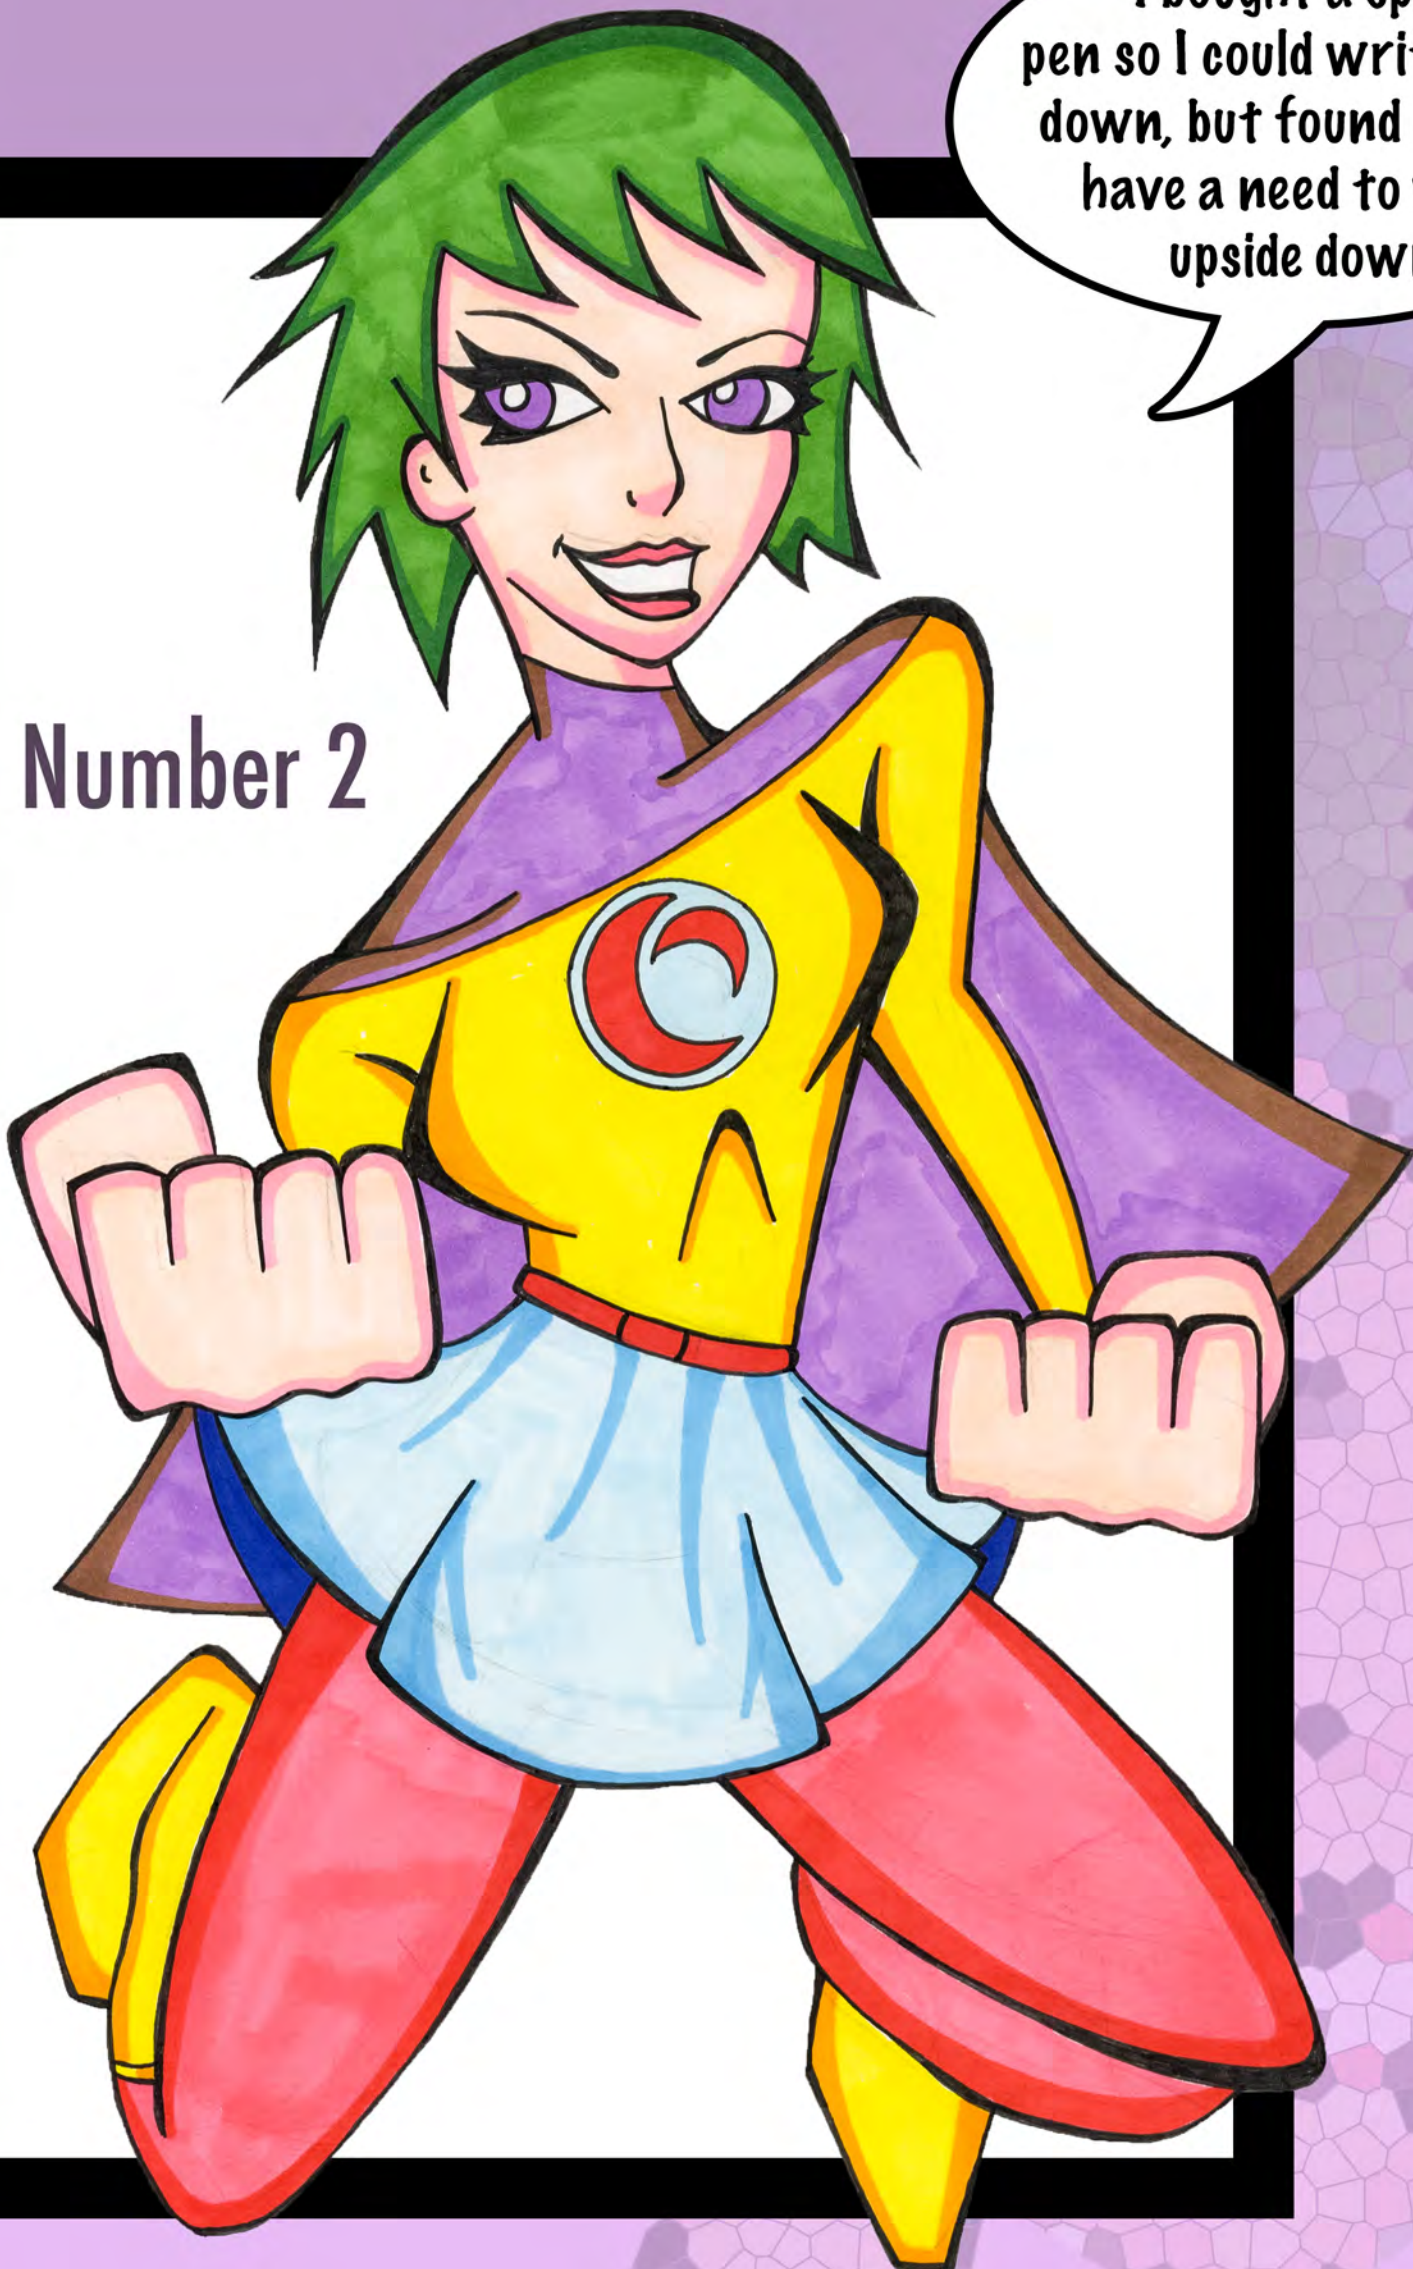

I found out the hard way that there is no quality control when purchasing lemonade from a stand run by six-year-olds.

Points of Thought With Apple Orchard

Number 2

I bought a space pen so I could write upside down, but found I rarely have a need to write upside down.

Points of Thought With Constance Faux

Number 3

There is absolutely no correlation between ice-fishing and learning how to ride a bike. Don't be fooled.

Points of Thought With Vincent Sarah

Number 4

As much as I love it, I've never been a particularly great windsufer.
